Our community is located on the corner of Leanordwood and Kings Daughters Drive across from the Frankfort Regional Medical Center.

We feature single story, garden apartments located in a park like setting very close to major shopping centers and highways. Our apartment homes are all electric, cable ready and feature vaulted ceilings, fully furnished kitchens, large laundry room with full size washer and dryer hook ups, garbage disposals and attic storage! We are also pet friendly.

You will truly feel at home in our community. We take great pride that our apartment community is rated one of the safest by the Frankfort Police Department. We take great care to ensure our resident's needs are responded to quickly and professionally. We have staff that live on site and take great pride in Willowood and want to welcome you as a new neighbor!
